

Greetings! I'm Bob Longo, your MGAC Director candidate for 2023-2025. I've been an active club member since 2019 and compete monthly during our steel and paper matches on the 600-yard range. During these matches I assist wherever and however I can and being an NRA Range Safety Officer I've had the pleasure of serving as match director on several occasions. I started my career as a toolmaker, currently I'm a GM/CEO for a local manufacturing company. I have enjoyed shooting handguns, rifles, shotguns and reloading since my youth, and have raised all my children to be avid shooters and sportsmen.
