

Richard Prince

Director Candidate for 2023-2025

Dear MGAC Members,

I would like to introduce myself! I'm Richard Prince and I'm running for a Director position for MGAC.

I'm a lifelong sportsman and shooting enthusiast and a member in good standing at MGAC for many years.

I have served on the board of several organizations, and if elected I will strive to make MGAC a range that will appeal to all disciplines, and a club that we can all be proud to say "I'm a member".

The things I firmly believe in are youth shooting sports, adding new ranges and overall structural improvements throughout our facility.
