

I'm Larry Tolksdorf. candidate for Manatee Gun Club Board of Directors. Let me tell you why you want me on your board.

I was with the group that helped move the club to this property in the early 1970's. Still a paying member, though my original life membership was lost with the computer age, I was part of the founding and history of this club to the present.

Vocal at meetings, I maintain a working relationship with Manatee Co. and Duette Park officials for the betterment of your club. My experience and onthusiasm validates your vote for me.

Thanks.
